RE: Presidential Search Update (Progress Report #2)

On behalf of the Atlantic Cape Community College Board of Trustees, I would like to provide a brief update to let you know that we are on schedule with our national search to identify the next President of Atlantic Cape Community College. I would also like to take this opportunity to thank everyone who participated in the in-person forums and the online survey through which participants had opportunities to discuss the qualities and qualifications Atlantic Cape Community College is seeking in our next president. Your feedback was insightful and valuable, and your contributions informed the development of the Presidential Profile.

The Presidential Profile is now finalized and can be found on the Atlantic Cape Community College presidential search webpage: <https://atlanticcape.edu/about/leadership/presidential-search.php>

The target date for applications is February 25, 2026.

The Board of Trustees is committed to conducting an equitable, inclusive, and transparent national search process.
