Immunization Form Instructions

The New Jersey Department of Health requires that all newly enrolled students provide the following immunizations:

- 1) MMR (measles, mumps, rubella) and Measles booster (can be a second MMR) with the following student criteria:
 - Full-time (12 or more credits)
 - Degree-seeking
 - Born after 1957
- 2) Hepatitis B (two or three doses) with the following student criteria:
 - Full-time (12 or more credits)
- 3) Meningococcal – There are two types that may be required, depending on the age of the student – MenACWY (Meningococcal conjugate vaccine) or MenB (Meningococcal serogroup B) with the following student criteria:
 - Enrolled (1 or more credits)
 - Degree or Non-degree seeking

Please have your physician complete the required information on the form provided or provide official medical documentation with the required immunizations.

This documentation must be received in order to take advantage of registration for the upcoming semesters. Contact Enrollment Services at (609) 343-5005 if you have any questions.

Please log in to your Self-Service account to review any outstanding immunization requirements. You may submit your immunization documents by uploading through Self-Service at the link below. If you do not know your username or password you can reset it via the same link.
