Academic Regalia

The history of academic dress reaches into the early days of the oldest universities. A statute of 1321 required all “Doctors, Licentiates and Bachelors” of the University of Coimbra wear gowns. In England, in the second half of the fourteenth century, the statutes of certain colleges forbade “excess in apparel” and prescribed the wearing of a long gown. Gowns may have been considered necessary for warmth in the unheated buildings frequented by medieval scholars. When American colleges and universities wanted a suitable system of academic apparel, it seemed best to agree on some definite system which all might follow. Accordingly, a suitable code of academic dress for the colleges and universities of the United States was established.

GOWNS

Pattern: Pointed sleeves for the bachelor’s degree; long, closed sleeves for the master’s degree “slit for the arm”; and round open sleeves for the doctorate.

Color: Black. Some universities now use their colors.

Trimnings: None for the bachelor’s or master’s. For the doctorate, the gown is to be faced down, the front with black velvet, with three bars of the same across the sleeves; or these bars may be of velvet of the color distinctive of the faculty or subject to which the degree pertains.

HOODS

These colors are on the collar and trim of the hood. The color of the lining of the hood designates the university or college by which the degree was granted. For all academic purposes, the colors associated with the different subjects are:

Agriculture—Maize	Music—Pink
Arts, Letters, Humanities—White	Nursing—Apricot
Commerce, Accountancy, Business—Drab	Oratory (Speech)—Silver Gray
Dentistry—Lilac	Pharmacy—Olive Green
Economics—Copper	Philosophy—Dark Blue
Education—Light Blue	Physical Education—Sage Green
Engineering—Orange	Public Administration, including Foreign Service—Peacock Blue
Fine Arts, including Architecture—Brown	Public Health—Salmon Pink
Forestry—Russet	Science—Golden Yellow
Journalism—Crimson	Social Work—Citron
Law—Purple	Theology—Scarlet
Library Science—Lemon	Veterinary Science—Gray
Medicine—Green

Welcome to the Atlantic Cape Alumni Association

Congratulations, Atlantic Cape graduate, and welcome to the Alumni Association! The Atlantic Cape Alumni Association would like to congratulate you on this important achievement and welcome you to its growing network of graduates. The Alumni Association is open to all individuals upon completion of an Atlantic Cape degree, credential, workforce training program, or culinary arts certificate program.

Lifetime membership to the Alumni Association is free and entitles you to many helpful services such as assistance with transferring your Atlantic Cape credits to another school, continued use of the libraries on all three campuses, and career planning guidance. It also provides notification of alumni events, including professional development seminars and networking opportunities, via email and through the quarterly-issued Alumni Newsletter. Finally, your membership provides you with discounts to local participating businesses and college events throughout the year.

Atlantic Cape Community College has helped to make a difference for you, and now you can help make a difference for others. The Alumni Association provides opportunities for you to serve as a mentor to current students, participate as an alumni ambassador at schools or in the community to recruit future students, volunteer for college, alumni, and Foundation events, or join the Alumni Association Executive Council.

For more information about the Alumni Association, visit atlanticcape.edu/alumni or contact Kristin Jackson at kjackson@atlanticcape.edu or (609) 463-3621.
